Dear sir,

I have make a mistake about the diffusion of "Wax". I was sure that will be a public screening and David Blair tell me it's a private screening. That's why I had send you an estimation for the cost of the screening rigths. So I can send you a VHS preview tape in NTSC (We have no a copy PAL without french subtitles).

Please, let us know if you can broadcast a VHS NTSC. If not, I can make a VHS copy PAL with french subtitles.

Looking to hearing from you soon,
Benoit Razy
