Christoph Nebel
Grosse Neugasse 44/19
A-1040 Vienna, Austria

Dear Christoph,

Glad we made contact the other day. As you requested, I've included some WAX material, including photos and an NTSC tape. Let me know if you need anything else.

I spoke to Patrick (butoh) on the Well, and am trying to get through to him directly at Uni-Vienna. This is a convenient contact.

Hope to talk to you soon, to work out the details.

Best,

David
